

March 2022 Order Form

Printed in the Highlands of Freedom!

Republic, Washington 99166

Howdy Patriots. We continue to have supply challenges in the paper and printing supply areas. A factory explosion at a Konica Minolta toner plant as led to critical shortages that affect us. We still have enough supplies to ensure that we continue printing THE PAMPHLET for everyone who has a subscription. Our free circulation will unfortunately be dramatically reduced this month. We will only be able to produce 200 free copies for local distribution. All Subscriptions (including bulk) will continue to be honored as we maintain enough supplies to fulfill our obligations. If you want to continue to receive our monthly publication the best way is through a subscription.

We will do our best to deliver free pamphlets to our normal distribution points in Ferry and Okanogan Counties, however those supplies will be limited. If further disruptions persist, free distribution may be eliminated until supply challenges alleviate themselves. We print on high quality 24# paper, for a product that will last. Our family hand folds each pamphlet, staples them, and is committed to bringing you a quality product that will last in your library. Please consider a subscription if you enjoy our content.

We have had to Increase Prices

Shipping, handling, and tax are still included in one price!

We continue to hand out free pamphlets to our regular distribution points and will for as long as we are able to. Every purchase helps us to ensure that we can continue to put out our monthly publication of liberty and freedom. Please consider filling out the order form and mailing it back to us with a check or money order to the address below.

The best way for you to ensure physical delivery of The Pamphlet is to subscribe to The Pamphlet.

For us to ensure prompt delivery each month please complete the section on the next page. We only ask that you tell us enough about yourself that we can get you what you want and fix it if we can't. We don't sell anyone's information and as far as we are concerned, it aint nobody's business.

Our ecommerce is coming soon! Call us if you have any questions.
