# Merry Christmas

*Dear Patriots,*

*It is a special time of year on the homestead, and we would love to thank you for your support. It has been particularly hard this year with the added burden of running a political campaign through the primary and general elections. As much as it was a pleasure to spend so much time in the Seven Counties that make up Washington's 7<sup>th</sup> Legislative District, I am happy to finally have some time home. I have missed my family and the work on the farm.*

*This is our third Christmas producing The Pamphlet, and I am amazed at the massive amount of research and work that has gone into these over the years. We did not know what we were doing when we started this, and in many ways we still don't. It is all about getting the message out about standing up for our liberties before it is too late, and you have helped us hand out or deliver tens of thousands of copies to people in all fifty states and throughout fifty-six countries in the world.*

*We wanted to spend a little bit more time on Christmas for this December issue. I believe that this year, we could all use a little bit more Christmas. By now we all realize that there is no chance at going back to normal. Our country is on a rough path and only by looking to our past, seek. You have helped us*

*can we identify the answers we tremendously in our struggle to*

*buy toner, paper, copy machine parts, envelopes, staples, phone service, email, and maintain our website. You have already given us the greatest gift possible and that is the opportunity to deliver pamphlets of hope throughout the world. We know how difficult life is for us all financially. As a Disabled Veteran on a fixed income, I can attest to the struggles of continuing to give to this endeavor what it needs to keep the printing presses going. To me, it has been worth the sacrifice, and I wanted to say thank you.*

*As you welcome the spirit of Christmas into your lives this year, please take a moment to say a prayer of thanks for all those who have gone before us and have given so much for us to have the liberties that we still have. Know that I will be praying for everyone of you out there that has shared the load. I am happy to see the patriots who have decided to stand with us and support this great work. I will do all that I can to provide a better publication each month and continue to earn you support. God bless all of you that stand up for liberty and freedom.*

*Merry Christmas!*
