Pamphlet Patriots,

We have been making quite a few changes to THE PAMPHLET in the last few months.

We are very aware of the state of the economy across the country. We know that things are only getting worse by the day. Everyone is suffering, including THE PAMPHLET. We understand and that is the reason we are writing to you today. We are letting you know about the most recent change.

As of January 1, 2024 Annual and Annual gift subscriptions will no longer be available for purchase. Last day to purchase a full year subscription must be received in our hands by December 31<sup>st</sup> 2023.

We will continue offering month by month subscriptions, the link and QR codes are below to subscribe. Month by month starts as low as \$3 a month, for digital subscriptions only and as low as \$10 a month for a physical copy of each month's subscription mailed to you. With plenty of other tiers to choose from.

If you have a current annual subscription, you do not need to do anything, and we will notify you 2 months in advance of your annual subscription ending. But we do ask that you switch to month to month at renewal. Subscriptions expiring in November and December have already been notified. If you are not sure when your subscription expires, please contact me, I will be happy to help you.

From the beginning we have been committed to fulfilling our obligations and at this time cannot project global or national stability past January of 2025. From that point on we will publish if we can but can service our current subscribers until a few months after next years election.

For those that have been thinking about annual subscriptions, we will be offering a very temporary significant discount for the subscription. Currently annual subscriptions are \$71.40/year. You can now purchase annual or annual gift subscriptions for **\$49.98 (30% off)**.

\*Use coupon code **annualnow** to order off the website, or print an order form off the website

\*Or use the order form in the middle of the physical copy of THE PAMPHLET and mail in your order.

All other discounts are put on the blog on our website. Check out the current merchandise sale prices now.

If you have been thinking about a subscription for you or friends or family members, this will be the time to purchase.
